Head protection

PLATINIUM T2 WIND Carbon black (C350)

SAFETY HELMETS

High-performance, vented Type II industrial safety helmet. Fully modular and versatile, built to withstand the most extreme environments.

Certifications and norms

CE

Protects against risks

Shock

Perforation

Specific benefits

Comfort

· Ventilation pulls hot air out and draws in cool air reducing helmet temperature

· Features short peak and low profile for a better field of upper vision

Compatibility

· Compatible with noise-canceling headphones

· Compatible with the entire PLATINUM visor range

Performance

· Adjustable headband , low or top, for a safer fit and holding cap in place when moving head

· Enhanced cooling

Applications

- **Public works**
- **Building**
- **Finishing works / Craftsmanship**
- **Public services**
- **Power Energy**
- **Forestry**
