

Head protection

HELIUM 2 DETECTABLE

SAFETY GLASSES

Ultra light blue safety glasses with metallic frames, ideal for the food industry

Specific benefits

Comfort

- Contemporary wrap-around bifocal design offers a close fit and comfortable protection.
- Extra flat temples for optimal comfort and less pressure
- Flex temples for an optimal comfort with less pressure
- Ultra lightweight for a better acceptance in extended period of use

Performance

- Metallically charged blue frame visually detectable by X-ray and magnetism Suitable for the food industry

Easy to use

- Anti-slip ends for an increased comfort and very good hold on the head (or on a helmet)

Applications

- **Manufacturing/Transformation**
- **Accommodation & Food services**
- **Cleanliness**
- **Temporary work**
- **Transportation**
- **Storage**
